

INFO DAY ON PROJECT IMPLEMENTATION 1ST CALL FOR PROJECT PROPOSALS

Thessaloniki, 20th September 2017

ELIGIBILITY OF EXPENSES: APPLICABLE RULES

Hierarchy of rules on eligibility of expenditure

Rules defined in EU legal framework

ERDF Programme

- **Financial Regulation (EU) 966/2012** on financial rules applicable to the general budget of the Union;
- **Common Provisions Regulation (EU) 1303/2013** where Articles 6 and 65 to 71 give specific provisions on applicable law as well as on eligibility of expenditure;
- **ERDF Regulation (EU) 1301/2013** where Article 3 gives specific provisions on the eligibility of activities under the ERDF;
- **ETC Regulation (EU) 1299/2013** where Articles 18 to 20 give specific provisions on eligibility of expenditure applicable to programmes of the European Territorial Cooperation goal;
- **Commission Delegated Regulation (EC) 481/2014** on eligibility of expenditure – specific rules for cooperation programmes.

BalkanMed Programme rules

- Established jointly in the BalkanMed Programme Monitoring Committee
- Apply to the BalkanMed Programme as a whole
- Without prejudice to the rules on EU level

National rules

- For any other matters not covered by EU rules and Programme rules

Eligibility rules set out by the BalkanMed Programme must be respected.

Eligibility of expenditure

Eligible expenditures

- **Preparation costs** - eligible if they are **incurred between January 1st, 2014 and the date when the full application is submitted** by the Lead Partner for the present Call for Project Proposals and **paid between January 1st, 2014 and within two months after the date of last signature at the Subsidy Contract** for the present Call for Project Proposals. Payments made after this date cannot be considered as preparation costs.

- **Eligible date of activities:** 01/01/2014 – official submission date by the Lead Partner

Detailed eligibility rules on activities and related expenditure are described in the Project Implementation Manual.

- **For preparation costs, the budget lines *Office & Administrative, Equipment* and *Investments/Works* are not eligible.**
- Preparation costs are only **eligible if foreseen in the approved Application Form**, thus only partners having stated preparation costs in WP1/ Deliverable 1.x.1 per project partner of the approved Application Form can claim this type of costs;
- Preparation costs must be **related exclusively to preparation activities** (such as the finalization of the application documents, the organization of joint meetings, the development of preparatory studies, analysis and researches for activities preliminary to the project) carried out between the starting date of eligibility and the date on which the Application Form is submitted by the LP;
- The payment of preparation costs must be **foreseen in the first spending forecast period** and reported in the first Project Progress Report, otherwise they will not be reimbursed by the Programme.

Eligibility of expenditure

Eligible expenditures

- **Project implementation costs** – **eligible if they are incurred, invoiced and paid before the official ending date** established by the Subsidy Contract, **unless** are incurred and invoiced in the last reporting period, in accordance with the Subsidy Contract and the approved Application Form;
- **Travel and accommodation costs for observer partners** - **eligible if they are paid by the related partner** organisations listed in the Application Form and be **budgeted and reported under external expertise**.
- **Eligible date of activities:** 01/01/2014 – project end date in accordance with the Subsidy Contract
Detailed eligibility rules on activities and related expenditure are described in the Project Implementation Manual.
- The implementation period is the period that goes from the starting date of the project to its closing date, in accordance with the Subsidy Contract and the approved Application Form and its following amendments. Consequently as a general rule, **implementation costs** are eligible if related to activities implemented within this implementation period.
- The rules concerning the **starting date of the eligibility expenditure** of projects is established by the respective Call for Project Proposal. At the earliest, costs are eligible from the day indicated in the related Call for Project Proposals. **Partners may decide at their own risk to start the implementation activities before the project is finally selected for granting.**
- **Costs related to the negotiation of requests** put forward by the Managing Authority or by the Monitoring Committee and that must be fulfilled **prior to contracting** are in all cases to be considered as **implementation** and not preparation **costs**.
- The **ending date** of the project indicates when all the project activities have to be concluded.

Eligibility of expenditure

Eligible expenditures

- **Project closure costs** – eligible if **(1) all implementation-related costs incurred and invoiced in the last reporting period are paid** by Project Partners **within three (3) months after the end date** of project implementation and **(2) related to the elaboration and submission of the last Project Progress Report, the Final Progress Report and to the project administrative closure activities (first level control, staff costs, insurance, bank expenses)**, and **are incurred, invoiced and paid** out within three (3) months after the official ending date of the project.
- **Eligible date of activities:** project end date in accordance with the Subsidy Contract - three (3) months after the end date of project implementation (see point 2 above)

Project Partners are allowed to pay the costs related to project activities also after the ending date, but **no later than three (3) months after it** and provided that they are anyway paid within the 31st December 2023. This means that within three (3) months after the ending date stated in the Application Form, Project Partners must conclude **all payments**, otherwise the related expenditures are not eligible.
